

Environmental Policy Statement

DB Group Ltd (the company) is one of the leading manufacturers in the UK for Waterproofing Admixtures for concrete. The company's head office is based in South Cambridgeshire on a five acre site.

The manufacturing of our core products also takes place at this site along with storage of finished goods awaiting despatch.

The company operates with an on-site technical support team for customers requiring assistance whilst using our products.

The company is committed to protecting the local and global environment of the earth.

To minimise environmental impact concerning our activities, products and services, we shall;

- Comply with applicable legal requirements and other requirements to which the company subscribes to which relates to its environmental aspects.
- To include the consideration of environmental issues in all business strategies and initiatives.
- The company's senior management are committed to ensure that protection of the environment is firmly embedded in both the company's and all employees' culture and will endeavour to influence its suppliers and customers in a similar strategic environmental manner.
- Prevent pollution, reduce waste and minimise the consumption of resources.
- Consider the wider global impact of all our activities including those of our suppliers, customers and other stakeholders.
- Educate, train, and motivate employees to carry out tasks in an environmentally responsible manner and ensure that a continuous professional development strategy remains core to our business goals.
- Encourage environmental protection among suppliers, contractors and their sub-contractors.
- To investigate the feasibility of influencing its suppliers, customers and third parties with consideration to life cycle impacts of their aspects, and activities.
- Encourage and enhance biodiversity and ecology.

The company is committed to continual improvement of its environmental performance.

Our environmental policy provides the framework for setting and reviewing environmental objectives.

Our policy is documented, implemented, maintained and communicated to all staff, suppliers, contractors and their sub-contractors and is available to the public if requested.
