## PRODUCT DATA SHEET

# PS Termination Strap

### DESCRIPTION

**PS Termination Strap** is a galvanised and stainless-steel strap that is used for the termination of **PUDLO Membrane BW** to **PUDLO Self Seal** to maintain the continuity of waterproofing right up to ground level.

### USES

**PS Termination Strap** is used for linking one waterproofing membrane to another.

### BENEFITS

- Easy to fix with soft washer fixings
- Comes in 10 metre rolls
- Ensures complete bond development between **PUDLO Membrane BW** and **PUDLO Self Seal**

### SURFACE PREPARATION

- Ensure surface area is clean from all excess dirt and debris before application

### PACKAGING

10 metre rolls

### ANCILLARY PRODUCTS

- Used in conjunction with a number of **PUDLO Waterproofing System** membranes.

### YIELD

N/A

### PHYSICAL & CHEMICAL PROPERTIES

N/A

### HEALTH & SAFETY

**PS Termination Strap** is a non-flammable product but may cause possible cuts from sharp steel edges. Ensure protective equipment / gloves are worn at all times. Refer to **PS Termination Strap** MSDS for health and safety information. This product is not hazardous.

### STORAGE & SHELF LIFE

#### Handling

- Bands and straps must not be used for lifting
- Use suitable PPE when handling products
- Assess manual handling risks before lifting
- Products should be stacked on firm level ground in dry conditions
