

## ISO 9001:2015 Quality Policy Statement

As one of the leading manufacturers in the UK for Waterproofing Admixtures for concrete we are committed to continued growth, continual improvement of our Quality Management System and in satisfying applicable requirements, including statutory and regulatory.

We recognise that improvements in process understanding and compliance, will help to ensure the sustainability of our organisation; as will the maintenance of our organisational knowledge for the consistent provision of our products and services.

We are committed to achieving accredited ISO 9001 certification through co-operation, motivation and effective collaboration with all interested parties. This will ensure consistency of approach, continual improvement and confidence/trust in our processes to deliver products and services to requirements.

Quality objectives will be set to support this policy. These objectives will be reviewed as part of the management review process with senior management.

We are committed to enhancing customer satisfaction through effective application of our Quality Management System, and with it a social responsible attitude to the manufacture and service of all our products and services, throughout our organisations operations.
