

ISO 14001:2015 Environmental Policy Statement

DB Group (Holdings) Ltd is one of the UK's leading manufacturers and suppliers of waterproofing products and services, of low carbon cement replacements, and of fine graded fuse sand.

The Company's office is co-located with its manufacturing and warehousing facilities in South Cambridgeshire and the Company makes use of further external toll manufacturing facilities where appropriate to business needs.

The Company has an established on- site technical support team for waterproofing customers requiring assistance whilst using our products.

The Company is committed to protecting the local and global environment.

To minimise environmental impact concerning our activities, products and services, we;

- Comply with applicable legal requirements and other requirements to which the Company subscribes, which relate to its environmental aspects.
- Include the consideration of environmental issues in all business strategies and initiatives.
- Prevent pollution, reduce waste and minimise the consumption of resources.
- Consider the wider global impact of all our activities including those of our suppliers, customers and other stakeholders.
- Educate, train, and motivate employees to carry out tasks in an environmentally responsible manner and ensure that a continuous professional development strategy remains core to our business goals.
- Encourage environmental protection among suppliers, contractors and their sub-contractors.
- Investigate the feasibility of influencing its suppliers, customers and third parties with consideration to life cycle impacts of their aspects, and activities.
- Encourage and enhance biodiversity and ecology.

The Company's Senior Management are committed to ensure that protection of the environment is firmly embedded in both the Company's and all employees' culture and endeavours to influence its suppliers and customers in a similar strategic environmental manner.

The Company is committed to continual improvement of environmental performance.

Our environmental policy provides the framework for setting and reviewing environmental objectives.

Our policy is documented, implemented, maintained and communicated to all staff, suppliers, contractors and their sub-contractors and is available to the public if requested.
